READY **2** RAIL

Ready 2 Rail™ provides the superior quality and detailing you've come to expect from M.T.H. coupled with a competitive price point for the entry-level hobbyist. These cars offer the same construction and body detailing as their more expensive counterparts, but designed for the budget-minded model railroader. It's the perfect way to add to a Ready-To-Run set or to introduce someone new to the hobby.

 = **Imagination and Fun**

While we take pride in the prototype accuracy of most of our HO products, you will find items in this and future catalogs bearing an  designation (and item numbers with an "81" prefix) that may feature imaginary graphics or stray from historical accuracy. These  products are exciting and enjoyable for railroaders who like to use their imagination and just have some fun.
